In case of a passenger car the minimum period is 10 days and costs 6 €.

Event centre: Each day is situated close to the Parking area. Distances, GPS coordinates appear at Technical Data. **Access to the events:** look at the map on www.transilva.ro.

Keeping clean is mandatory. Please take your trash.

Smoking and lighting a fire is FORBIDDEN in all area connected with the competition.

Terrain:

Hilly, many contour details; steep valleys, deciduous and coniferous forests, open lands; variable runnability and visibility.

Race 2 + Race3: difficult run because of branches and fallen trees.

Clothing for all races:

Due to high stinging nettle and other vegetation, whole body covered clothing is recommended. Protection against **ticks** and **mosquitoes** is recommended.

Maps:

Access to paved roads during the routes is strictly prohibited !

Race 3 is of **Score** type. The points marked with the serial number (1-30) must be touched in the **obligatory order**, the points marked with the code only (31-67) in the **optional order**.

Take care at the scale! The scale of the maps:

Race 1 + Race 2 1: 10.000/5m

Those, who have 1: 7.500/5m scale are specified at **Technical Data**.

Race 3 1: 7.500/5m

Each day the maps are printed on **waterproof paper**. They have **A4** format.

The **control descriptions** are printed on the map.

Additional control descriptions are available at start area (only **Race 1 + Race 2**).

Control system: The electronic SportIdent **AIR+** system is used. There is confetti at each control, in order to mark the place if the electronic device disappears.

Additional Marked routes:

The courses for the 10 years categories have **white-red** (plastic) marked routes.

There are **white-blue** (plastic) markings from the „**Event center**” (EC) to the „**Start**”.

The markings to the **Start** go through **Finish**.

Refreshment points: only after the Finish, in the Event center.

There are no refreshments at the „**Start**” area.

On the race **LD** water is provided in place marked on the **control description**.

No buffet and no showers in the Event Centre area.

First aid: only in the Event Centre area.

Toilets: There will be toilets next to the **Event Centre area**.

Start procedure: The start-lists and additional control descriptions will be available in the start area. The organizers don't provide materials for the competitors to fix the control descriptions. The organizers don't provide the transport of the clothes and bags from the "Start" to the "Event Centre" area.

Check-in to the Start: Competitors must check-in two minutes before their start time. There are consecutive start boxes. The runner reports oneself when the first box event's clock shows his start-time from the start-list. In the first box (1 minute) the organizer will verify the number of SI-card and the start-time, the runner makes the **CLEAR** and **CHECK** operations of the SI-card. SIAC activation is done through **CHECK**. The activation verification is done through **SIAC Test**.

The **start time** is given by the **START** station device, when the competitor puts in his/her SI-card. The map is picked up by the competitor after the **START**. The competitor is responsible for picking up the right map for his/her category. It is mandatory to follow the marked route to the start point which is indicated by a control flag on the terrain and by the triangle on the map.

Finish area: Introducing the SI-card in **FINISH** station is required. SI-card reading is in Event Centre. From the „Finish” to the officials' desk to download the SI-card, competitors will walk. Don't leave the officials' desk if there is any unresolved problem. Competition maps will be not collected after the races. Please, respect **FAIR PLAY**!

All runners are required to download the SI-card in Event Centre even if they did not finish the course, otherwise they will support the cost of seeking action.

Removing of controls begins at:

MD: 16:00 ; LD : 14:30 ; Score : 13:00
